FOR DRIVERS

Track Session Minder: Driver Guide

Your track day schedule, live on your phone. When the organizers run late or change a session, it updates within seconds.

Scan to open the app

1. Put it on your home screen

1. Scan the code, or open **tinyurl.com/Track-Session-Minder**.
2. **iPhone (Safari):** tap Share, then **Add to Home Screen**. **Android (Chrome):** tap ⋮, then **Add to Home screen** (or Install app).
3. Open it from the icon. No download or account needed.

📅 Pick your event

The event's name is at the top of every screen. Tap **Change**, or open the **Events** tab, and tap your weekend. On multi-day events, tap the day at the top to switch days.

🔔 Turn on alerts

Tap **Turn on alerts** (top of Now, Schedule and My Day) and allow notifications. You'll get an alert when the schedule changes, even with the app closed. **iPhone:** only in the home screen app (iOS 16.4+). Alerts end the day after the event.

◉ Now tab: what's happening

- The big card shows who's on track right now and how much time is left.
- **Up next** shows the next group with a countdown, so you know when to head to the grid.
- **Also happening** lists classroom sessions and breaks at the same time.
- Before the event, tap **Preview the day** and use **−15** **+15** to step through it.

☰ Schedule tab

Every session in order. On the day, the current one says **NOW** and finished ones fade. Indented items are off track (classroom, meetings). Each run group has its own color. At Just Track It, each group's first session has a yellow note: *2 laps, no passing, yellow flag*.

🚩 Urgent announcements

Lightning, red flag or track closed? A red message stays pinned at the top of every tab, even as you scroll, with an icon showing what it's about. Phones with alerts on get it too, and you may also get it by text or email. It goes away when the organizers clear it.

🎓 Coaching and check rides

- **Booked one?** On **My Day**, enter the email you booked with and type the code we email you (no password). It then shows on Now with a countdown, on Schedule with a badge, and on My Day. With alerts on you're told when it's booked, changed or moved, and reminded 15 minutes before.
- **Want a coach?** Sign in on My Day and tap **Request coaching**. $100 per session at Just Track It, subject to availability. Add the session you'd like and tap **Send request**, then see the organizers at registration: they check for an open spot before you pay. Novice drivers already have an instructor. Use the email you registered with on ClubReg.

⭐ Tell us how it went

My Day → **Rate an event or the app**: 1 to 5 stars and a comment. No sign-in needed. **Stay in the loop:** leave your email (and cell) on the card on My Day to hear about a club's events (optional).

🆘 If something looks off

- Times look old? Reload: tap ↻ in Safari or Chrome (⋮ → ↻). Home screen app: close it from your open apps (swipe up and hold), then reopen.
- No coaching showing? Use the email it was booked for. No code? Check spam.

No account needed to view the schedule; we never sell your info (My Day → Privacy).
